

### III. QUALIFICATION FOR LHGCL (updated July 2011)

#### A. Eligibility

The LHGCL is dedicated to providing the highest level of competition possible. Therefore, entrance to the LHGCL is strictly invitational. This invitation to participate can be withdrawn by the LHGCL Board upon a finding that a team or any individual(s) associated with a team has participated in conduct prejudicial to the league or, prior to a team's or individual's acceptance into the league, upon a finding by the LHGCL Board that past conduct of a team or individual(s) gives the Board reason to believe that acceptance of the team or individual(s) in question could be prejudicial to the league.

**B. Compliance with Bylaws and Rules.** All persons involved in any capacity with a team playing in LHGCL have requested to participate in LHGCL, and by such request have agreed to abide by all Bylaws, Rules, and policies (whether written or unwritten) of LHGCL.

##### 2. General Definitions for League Playing Format and Qualifying Tournament

- a. Teams are invited back into LHGCL for the next soccer year ("Bye") according to the playing format below. A "team" is determined by the team name and club affiliation. There is no minimum number of players from the previous soccer year that must be retained by a team to keep a Bye for the club for the next soccer year. However, if 75 percent of the players on a team (based on the roster as of April 1 of the previous soccer year, rounding fractions up to the next whole number\*) leave a team/club to join another team/club, the league Bye will be awarded to that group of players with their new team/club. If this takes place, the Age Division Commissioner must be informed at the time the roster is submitted. **Note: If a dispute arises over who has the right to a Bye, the LHGCL Executive Board will determine whether a Bye exists in that particular situation and which team/club will receive the Bye. There is no further appeal allowed on this decision.**

\*Examples:

75% of 14 players = 10.5 = 11 players

75% of 15 players = 11.25 = 12 players

75% of 16 players = 12 players

75% of 17 players = 12.75 = 13 players

75% of 18 players = 13.5 = 14 players

- b. A team within a club that changes names will be considered the same team as the previous year for purposes of retaining a Bye as long as the name change is reported to the league by a club official (President, DOC, League Administrator, Club Administrator, etc.) that it is a name change only within the same club and the team retains the club's name. The name change must be noted on the team's roster, i.e., ABC 94 Blue (formerly ABC 94 Green), and the Age Division Commissioner must be informed at the time the roster is submitted.
- c. Teams desiring to change their club affiliation during the soccer year must have completed all required NTSSA paperwork and obtained their home association approval for name change prior to February 1 in order to retain their Bye. If the team changes clubs on or after February 1, the Bye will remain with the club affiliated with the team prior to the club affiliation change, unless 75% of the players move to another team as outlined in 2a above. The name change must be noted on the team's roster, i.e., ABC 94 Blue (formerly XYZ 94 Green), and the Age Division Commissioner must be informed at the time the roster is submitted.
- d. Movement of teams between Divisions I, II and Division III at the end of the soccer year will be done by promotion/relegation as described in the table below. (Note: This table is a generalized synopsis of the rules in sections 3-10 below, and may vary depending upon the actual number of teams in each age division. This table is only applicable to the transition year of 2011-2012 when the league expansion becomes effective)

**Promotion/Relegation Impact on Age Groups (for transition year 2011-2012)**

U11 moving into U12 – (i) relegate 8 DI teams to DII; promote 2 DIII teams to DII and (ii) relegate 2 DI teams to DIII

U12 moving into U13 – (i) relegate 2 DI teams to DII; promote 1 DII team to DI and (ii) relegate 2 DII teams to DIII; promote 1 DIII team to DII

U13 moving into U14 – (i) relegate 2 DI teams to DII; promote 2 DII teams to DI and (ii) relegate 1 DII team to DIII; promote 2 DIII teams to DII

U14 moving into U15 – (i) relegate 2 DI teams to DII; promote 1 DII team to DI and (ii) relegate 1 DII team to DIII; promote 1 DIII team to DII

U15 moving into U16 – (i) relegate 2 DI teams to DII; promote 2 DII teams to DI and (ii) relegate 1 DII team to DIII; promote 2 DIII teams to DII

U16 moving into U17 – (i) relegate 2 DI teams to DII; promote 2 DII teams to DI and (ii) relegate 1 DII team to DIII; promote 2 DIII teams to DII

U17 moving into U19 – (i) relegate 2 DI teams to DII; promote 2 DII teams to DI and (ii) relegate 1 DII team to DIII; promote 2 DIII teams to DII

- e. Each summer, a Qualifying Tournament will be held to qualify teams for U11 (all divisions) and the remainder of Division III (U12-U19) for the following fall season. The exact playing formats will be set according to the most efficient and expeditious manner possible as determined by the number of teams that enter.
- f. All returning teams from the previous season will be seeded in the Qualifying Tournament in an effort to prevent returning teams from playing each other when possible.
- g. Teams receiving a Bye must pay a Bye fee as set by the league and turn in their preliminary team roster for the upcoming season to the league office by the published deadline. Any “Bye” team failing to comply with this rule may lose their Bye and be required to play in the Qualifying Tournament for entry into Division III of the league. The League must receive the final roster with signatures from the home association and the coach of record before the team will be permitted to play any games.
- h. In order to participate in the Qualifying Tournament, each team must complete all paperwork required by the league, submit their preliminary fall roster (final roster with signatures from the home association and the coach of record must be received at tournament check-in), and pay the required fee to the league by the published deadline and according to the published guidelines before they will be scheduled to play in the Qualifying Tournament. No guest players are allowed. All players must be registered to the team for the upcoming season and all teams must be registered with their home association prior to participating in the Qualifying Tournament. The League must receive the final roster with signatures from the home association and the coach of record before the team will be permitted to play any games.
- i. Rosters turned in by teams that have 75% of the players from a previous team and obtained the previous team’s Bye back into the league will be checked to establish that the 75% requirement has been met. If the team did not keep 75% of the players from the previous team, the team will not receive the Bye and will be required to play in the Qualifying Tournament to regain entry into the league. (In this case the previous team/club will retain the Bye.) Any such team that retains a Bye into the league by virtue of this 75% rule that falls below the 75% requirement at any time after the Qualifying Tournament has started and before the beginning of the first game of the fall season, will be disqualified from the league for the fall season.

**NOTE: The spirit of this rule will be followed. Coaches found guilty of intentional manipulation of this rule for purposes of retaining their Bye**

**will be dealt with severely, up to and including suspension from LHGCL for no less than 1 year.**

- j. NO GUEST PLAYERS ARE ALLOWED. Any players that are deleted between the Qualifying Tournament and the first game of the season will be investigated to insure that the player was not playing with the team as a guest player simply to enhance the team's possibilities of qualifying for the league. Violations of this rule will result in the team being disqualified from participation in the LHGCL for that soccer year. A report of such activities will be submitted to the North Texas Soccer Youth Commissioner for further action.
- k. Any team that participates in the Qualifying Tournament and qualifies for the league, but decides not to participate in the league that season will not be eligible to participate in the LHGCL for a minimum of one (1) year from the end of the season in which they decided not to participate.
- l. All teams must participate in their proper age division. No team will be allowed to "play up" during the soccer year unless special scheduling for the age division is provided by the Age Division Commissioner. All special scheduling must be approved by the LHGCL Executive Board.
- m. All teams will pay the current league fee by the published deadline and according to the published requirements prior to each season. Under 19's will pay a discounted league fee for the spring season.
